April 17, 2017

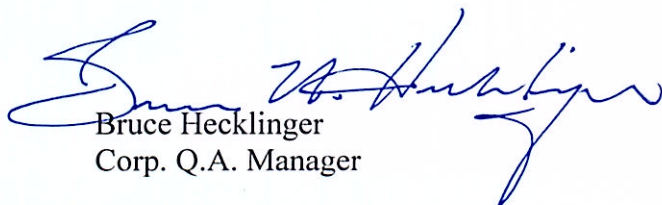

Subject: RoHS Directive, (2011/65/EU) Restriction of Hazardous Substances

This document is in response to customer inquiries into the status of RoHS directives at The Lee Company for the calendar year 2017.

After a review of our HYDRAULICS product line, we can state, to the best of our knowledge, that we are in compliance with RoHS directives.

This information is based on our current knowledge and is being provided to assist you in complying with your obligations under RoHS. The Lee Company makes no other warranties, express or implied, about the suitability of the information provided herein.

Sincerely,
THE LEE COMPANY

Bruce Hecklinger
