RoHS / RoHS 3 / WEEE Material Declaration

Subject: RoHS Directive, (2011/65/EU) Restriction of Hazardous Substances
RoHS 3 Directive, (EU 2015/863)
Annex II to the Directive

This document is in response to customer inquiries into the status of RoHS/WEEE directives at The Lee Company Microhydraulic Division for the calendar year 2023.

After a review of our Microhydraulic product line, we can state, to the best of our knowledge, that we are in compliance with RoHS/WEEE directives.

This declaration does not apply to customer specified non-compliant components and processes.

This information is based on our current knowledge and is being provided to assist you in complying with your obligations under RoHS and WEEE. The Lee Company makes no other warranties, express or implied, about the suitability of the information provided herein.

Sincerely,

The Lee Company
